## Beal Early Childhood Center

### SITE-BASED PROFESSIONAL DEVELOPMENT PROGRAM

---

---

#### Professional Development Program Overview 2003-2004

Beal Early Childhood Center will continue working towards a standards-based report card for both kindergarten and first grade. Professional development days will focus on the use of standards as a means to further develop a high quality early childhood program.

---

#### August 26, 2003

##### Morning

This session will focus on training in the “Handwriting Without Tears” program (E 13).
